

Have Your Birthday Party At the Dojo

We are pleased to offer Karate birthday parties here at the dojo for students and friends of students. We are setting aside two Saturdays each month so you can plan ahead. We are offering two parties on each Saturday. The cost is \$149.00. We will provide a professional instructor with an assistant instructor, tables, table coverings, 5 gallons of punch or lemon-aid, drink cups, napkins and trash disposal.

Upon request we will also provide you with 20 customized invitations with a place on the back side where the invited guest's parent/guardian can initial, thereby providing permission to participate in learning karate. Included on the invitation will be a location and parking map.

We have a number of fun games geared toward Karate that everyone will enjoy. We can plan each event individually to accommodate those who would like to include pizza, cake, or something similar.

The party times will be:

First Party: 11:30 to 1:00 (set-up 15 min early, all guests picked up & clean up by 1:15)

Second party: 1:30 to 3:00 (set-up 15 min early, all guests picked up & clean up by 3:15)

Please contact the office to reserve your date at least a month in advance.
